Level 0 User Group Workshop
Data Warehouse & Test Scoring Department

WHAT: For district and school staff who are responsible for data coordination processes or for loading STAFF snapshot, assignment, and tenure data.

WHEN: Wednesday, November 4, 2015

TIME: 9 a.m. - 11 a.m.

WHERE: Conference Room 3
CNYRIC, 6075 East Molloy Road

WHY: This workshop is for participants who are responsible for loading staff data and are new to Level 0 or would like a review. We will discuss best practices for Level 0 data loading and preparing data for Level 1 submission. This will be a 'hands on' session, so please be prepared by bringing your files and/or having access to your source systems, such as WinCap, Finance Manager, Infinite Visions, etc.. and have a Level 0 account as well.

REGISTER: Go to register.ocmboces.org to sign up.

GOALS:
After this training you will be able to:

- Navigate through Level 0 functions
- Load data into Level 0
- Load staff snapshot, assignment, and tenure data
- Create data for Level 1 submission
- Review Level 0 Reports
