- 4-5% of students who need mental health services actually get them

EdCamp Session Topic: <mark>Scheduling RtI & WIN</mark>

- Concerns: AIS model to more RtI-based model
- Best way to group kids to meet needs? AIS, RtI, WIN?
  - Idea: Math 20 min whole group, 40 min groups
- How to group: STAR data and…?
- How often to "switch" groups?
- Shift from AIS to data-driven grouping
- RtI providers start with Tier III and work our way up
- Classroom teacher will also provide tier II instruction
- Group for 3-4 weeks, progress monitor weekly
- Restructure groups/intervention/targeted skill monthly
- How to fix it if you feel like its not working?
