

Preparing to Excel

IN A COMPLEX, INTERCONNECTED, CHANGING WORLD

2016/2017 DISTRICT CALENDAR

East Syracuse Minoa *Central School District*

Dear ESM Community:

As we embark on the 2016-17 school year we welcome new and returning ESM students and families. Our vision of becoming an “exemplary 21st century learning community whose graduates are prepared to excel in a complex, interconnected, changing world” is clearly evident in our actions and priorities.

As a school community, we value student-centered learning, with the development of knowledge, skills and preparedness that build capacity in critical thinking, problem solving, communication, collaboration, creativity and innovation. These skills are integrated throughout our curriculum and are essential for your daughter or son’s success in college, career and citizenship. Most important, at all levels of learning we strive for academic excellence and rigor by engaging student minds. Learning is designed with a focus on hands-on, mind-on, problem-solving challenges.

At ESM our mission is to engage all students in meaningful learning experiences that meet the highest educational and ethical standards in a caring, collaborative learning community supported through partnerships with parents and families, businesses, civic organizations and higher education. Parental support is key to a child’s success in learning and in life, so we believe it is essential to develop strong lines of communication between home and school throughout the year. This calendar, in addition to our website, the Student-Parent Portal, social media (Twitter/Facebook) and other communication tools are valuable resources containing information on how to stay connected and informed with your child’s school and his/her individual academic progress.

Thank you for making ESM your District of Choice! We invite you to be actively involved in your child’s education and to join us at school activities and events throughout the year. We value your talent, ideas, involvement, engagement and support for learning. Together, we can help all of our children achieve success. Looking forward to a magnificent year!

Sincerely,

A handwritten signature in black ink that reads "Donna J. DeSiato".

Dr. Donna J. DeSiato
Superintendent of Schools

District Personnel

District Office

Dr. Donna J. DeSiato, Superintendent
(315) 434-3012
