

Ithaca THINK About It.

CITY SCHOOL DISTRICT

Welcome to the Ithaca City School District (ICSD), a K-12 district with nearly 6,000 dynamic students and staff. As a forward-thinking district, we believe it's critical to prepare our students for life beyond the classroom and strive to provide contemporary learning opportunities. In addition to being a Google Apps for Education district, we're proud to provide each student in grades 4-12 with a district-managed Chromebook to ensure equitable access to digital learning tools. Beyond our academic rigor, students are encouraged to participate in a diverse selection of opportunities through athletics, clubs, special events, and fine and performing arts. In fact, we were named a Best Community for Music by the National Association of Music Merchants Foundation for the third consecutive year. We invite you to visit www.IthacaCitySchools.org for more reasons to *Think about ICSD.*

We believe it's critical to prepare our students for life beyond the classroom and strive to provide contemporary learning opportunities.

DISTRICT DETAILS:

ICSD has 12 schools within the district. All competing at the highest level.

5,200 STUDENTS

Our district's Bus Transportation Program safely transports over 5,200 students to and from campuses each year.

District leaders envision more than 6,000 Thinkers that engage in creative thinking, problem solving, self-discovery and more at ICSD.

6,000+ Thinkers

8,422 HOURS

Our educators participate in more than 8,422 hours of professional development annually.

I could not imagine being a part of any other school community. Ithaca CSD provided me with a strong educational foundation that included 28 earned college credits! Thanks to my experiences at Ithaca, I was able to bypass introductory classes in college and dive into my major, as well as make time for invaluable internship experiences. ICSD gave me a head-start and led me to pursue the career that propelled me to where I am today. Ithaca CSD encouraged me to *Think* beyond the classroom in order to achieve my dreams.

Nathan Smith, I.H.S. Class of 2000
Executive Producer, NBC Nightly News

ALUMNI SPOTLIGHT:

6,000+ THINKERS STRONG:

We envision 6,000+ Thinkers. Thinking is foundational to the development of self and society. It is the cornerstone of all creative ideas and problem solving, new scientific discoveries, new products and services, individual and organizational learning, education, business success, interpersonal and intrapersonal communications, all social change and even democracy itself. Our vision is what we see. It motivates us. Our vision is audacious.

Dr. Luvelle Brown
Superintendent
