ABOUT

UNION SPRINGS

CENTRAL SCHOOL DISTRICT

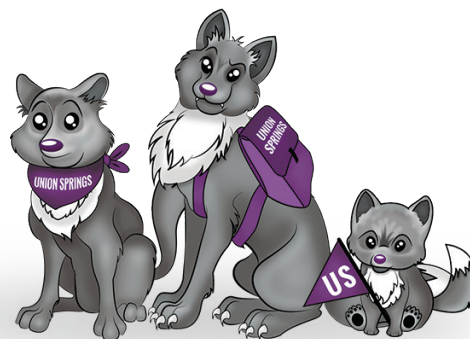

To foster meaningful learning outcomes for our students, to raise their level of achievement, and to create lifelong opportunities, students need a sound education. We are continuously promoting excellence in student learning as we continue to build a district that defines academic excellence in our region and state.

- Jarett S. Powers, Ed.D.

ABOUT US

Union Springs Central School District is a progressive Pre-K through 12 district that understands the world is accelerating at a rapid pace, and that to remain economically competitive, its students need a sound foundation; not just in reading and writing, but in technology, information science, and collaboration skills. Our district offers strong instructional programming that engages students in powerful learning experiences, making Union Springs Central School District a great place for students to learn and grow.

3 SCHOOLS

1 elementary school
1 middle school
1 high school

DISTRICT-WIDE

850 students
170 staff members

AVERAGE CLASS SIZE: 19

SPECIAL PROGRAMMING

Our district offers special programming starting at the elementary level. Musical instruments are introduced in Grade 3, and Spanish language is introduced in Grade 5.

ATHLETICS

Our district offers a variety of sports from modified to varsity levels during the fall, winter, and spring seasons. Some of our athletic programs are merged with the Port Byron CSD as a way to offer our students a broader range of sports to choose from as well as to strengthen the established programs.

CAYUGA COMMUNITY COLLEGE PARTNERSHIP

It is possible for all incoming ninth graders to achieve both an Associate's Degree and a High School Diploma upon graduating from Union Springs High School at almost no cost to students. This program offers an opportunity that no other school district in the Cayuga-Onondaga BOCES region is providing.

TRANSPORTATION

Students who live more than a mile from their school are offered bus transportation to and from school. All students in Pre-K – Grade 6, regardless of the distance they live from the school, are provided bus transportation.

MODERNIZED ELEMENTARY SCHOOL

Our elementary school is undergoing \$8.653 million in renovations and will be complete by September 2018.

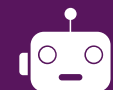

AWARD-WINNING STUDENT ARTISTS

Our students consistently earn regional and national awards in the annual Scholastic Art & Writing Awards competition.

SUMMER ACADEMY

The district offers a summer learning academy for K-8 students that help them to remain engaged in project-based learning during summer months.

EXTRACURRICULAR ACTIVITIES

We have an array of clubs and extracurricular activities students can be involved in ranging from our middle and high school musical productions to Coding & Robotics Club and Debate Club.

1:1 DEVICE TO STUDENT RATIO

All students Pre-K – Grade 12 have personal digital learning devices to augment their classroom instruction.
